In addition, start thinking early about how you are going to get your required yearly CS hours. Please remember that at least half of your hours **must** be done by the first Semester in order to avoid night-school the second semester. Get together with your advisory sisters and/or brothers and get started! Reach out to Ms. Mollfulleda (best known as Ms. M.) via email at wmollfulleda@muchincollegeprep.org if you have any questions.
