Scholarly Updates
 * Grades are currently very volatile and can change drastically in the first few weeks of school. Students should maintain their GPAs by completing all homework and studying for their exams. Next week, we will pull our first round of data for Climber's Club to assist scholars who are struggling academically. Climber's Club forms will be given to scholars with below a 2.5 GPA and an F in any core content or elective course(s). Scholars in Climber's Club are expected to attend office hours until at least 5:00p.m., but can stay with their advisors as late as 6:00p.m. Parents can track their scholar's progress on PowerSchool. Scholars can access PowerSchool with their school logins. Their username is "FirstName.LastName" and their password is their student ID numbers. If you are having issues accessing PowerSchool please contact your scholar's Dean of Students (DOS):
